Docket No. 07109398  
TAC No.

**Subject: Withdrawal of SARP 3997B Application for Shine Medical Mo-99  
Contents**

Dear Mr. Allen

Please accept this communication as our formal request to temporarily withdraw this application.

The application is being withdrawn due to delays and funding availability related to completion of the Mo-99 experimental work required to confirm the hydrogen and pressure generation details relating to the Shine Medical facilities production of Mo-99. However, if you require further information regarding this request, please contact:
