This Letter of Notification for the South Bend Cyclotron Facility located at 17490 Dugdale Dr., South Bend, IN 46635 on license # 13-32726-02 is to notify the USNRC of SpectronRx's intent to replace the cyclotron at this site. Hi Jonathan,

There is no attachment. I cannot find your original email dated 8/31/2023. If the attachment was very large, it may have been rejected by our IT security. We have had that problem in the past.

The best email address to submit requests is: R3-DRSSMail.Resource@nrc.gov.

Thank you,
Tammy

Tammy,

Following up with this. I also sent this to Sara Forster. I haven't received a response. Do you know what email address I should send this to for decommissioning and replacement of a cyclotron?
