Docket No. 40-3392; License No. SUB-526

SUBJECT: HONEYWELL METROPOLIS WORKS EMERGENCY RESPONSE PLAN UPDATE

Pursuant to the requirements set forth by 10 CFR 40.35(f), Honeywell Metropolis Works hereby submits the updated Honeywell Metropolis Works Emergency Response Plan (ERP). This submittal incorporates changes made to the ERP on 3/31/2023.

Per 10 CFR 40.35(f), "the licensee may change the plan without Commission approval, if the changes do not decrease the effectiveness of the plan." These ERP changes were evaluated using Honeywell's configuration management process as not requiring prior NRC approval for the reason that they do not decrease the effectiveness of the Plan.

Pursuant to the procedures set forth in NRC Regulatory Issue Summary 2005-31 pertaining to submitting security-related sensitive information, the enclosed submitted herewith shall be withheld under 10 CFR 2.390 as security-related sensitive information.

If you have questions or comments regarding this submittal, please contact Mr. Sean Patterson Regulatory Affairs Manager, at (618) 524-6341.

Sincerely,

Brett Suits
Director Chemical Plant Operations
