Dear Sir or Madam:

Pursuant to 10 CFR § 72.212(b)(4), Southern California Edison (SCE) hereby provides notification regarding the registration of 73 Holtec spent fuel storage casks. These casks, which SCE had previously loaded and registered under CoC 1040, Amendment 2, are now being registered under Certificate of Compliance (CoC) 1040, Amendment 4. These 73 Holtec casks are Holtec HI-STORM UMAX casks containing SONGS Units 2 and 3 fuel.

The Referenced letter provided NRC approval for CoC 1040, Amendment 4. On September 12, 2023, SCE applied the changes authorized by Amendment 4 to the 73 casks originally loaded under CoC 1040, Amendment 2.

Enclosure 1 to this letter provides the revised registration information for the 73 casks in question.
