Mr. Peebles

The NRC staff has completed an initial review of Kairos's Instrument Setpoint Methodology Topical

Report and developed a set of clarification questions (attached) to improve its understanding of the information presented in the report. The questions are intended to:

- Obtain clarification regarding material in the topical report
- Promptly identify areas where additional information may be needed
- Facilitate discussions and continue effective communication

The NRC staff requests that Kairos propose times to discuss the attached clarification questions in a public meeting.

Please let me know if you have any questions.

Regards,

Samuel Cuadrado de Jesús
