RE: Industrial Wastewater Closure Module for F-Area Diversion Boxes 5 and 6, F-Area Tank Farm, Savannah River Site, SRR-CWDA-2020-00011, Revision 0

Dear Mr. Matis:

The South Carolina Department of Health and Environmental Control (DHEC) has received the above referenced Revision 0 of the Industrial Wastewater Closure Module for F-Area Diversion Boxes 5 and 6, F-Area Tank Farm, Savannah River Site, SRR-CWDA-2020-00011, Revision 0, February 2021. Based on our review, the Department hereby conditionally approves the referenced Industrial Wastewater Closure Module, Revision 0 for the F-Area Diversion Boxes 5 and 6 as follows:

To the extent that the Department has new information that has a bearing on the adequacy of this closure, the Department reserves the right to modify approval of this closure module in the future to address activities yet to be performed (e.g. cap installation.)

The decision of the South Carolina Department of Health and Environmental Control becomes the final agency decision 15 days from the mailing date of this letter unless a written request for final review accompanied by a filing fee is filed accordance with the enclosed copy of the South Carolina Board of Health and Environmental Control Guide to Board Review pursuant to S.C. Code Section 44-1-60.

Attachment A presents the Department's response to all comments received during the public comment period regarding the above-reference closure module. The comments submitted to the Department are included as Attachment B.

If you have any questions, please contact Fatina Ann Washburn Clark at clarkfaw@dhec.sc.gov or 803-898-3136.

Sincerely.

Shawn M. Clarke, Director
Water Facilities Permitting Division
Bureau of Water
