Nuclear Gauge Safety Certification

This certifies that

Oliver Buffington Jr

has successfully completed training on radiation safety and regulatory requirements for the use of portable nuclear gauges on this date.

June 20, 2016

This certificate is not valid until signed by the licensee RSO.

I attest that the person named above, and no other, has completed the online course and tests. I certify that the individual has completed practical skills training for setting up and making measurements, routine maintenance, packaging and transport, storage, and emergency procedures for portable nuclear gauges.
