I. SECY-23-0052 – NUCLEAR FUEL SERVICES, INC. (LICENSE AMENDMENT APPLICATION), APPEAL OF LBP-23-2

The Commission approved a Memorandum and Order responding to Erwin Citizens Awareness Network, Inc.'s (ECAN) appeal of the Atomic Safety and Licensing Board's decision in LBP-23-2. In that decision, the Board denied ECAN's hearing request in this proceeding related to the application of Nuclear Fuel Services, Inc. to amend the license for its nuclear fuel fabrication facility in Erwin, Tennessee. The amendment would allow Nuclear Fuel Services to provide uranium purification and conversion services at the facility. The Memorandum and Order affirms the Board's decision.

(Subsequently, on October 5, 2023, the Secretary signed the Memorandum and Order.)
