Hello Paul R. Steinmeyer,

It is our understanding that you require two more weeks to complete your responses to the request for additional information. We have no issue with this request. Please submit your responses on or before October 20, 2023.

Should you have any questions or concerns please reach out.

Thank you,

Hello Mr. Wutkowski,

I have been working on my response to the Request for Additional Information but I do not believe I can complete it by the required date of October 6, 2023. I request that a two-week extension be granted. Please let me know if this will be possible.

Best Regards,
Paul
