SUBJECT: TIMKIN MOTOR & CRANE SERVICES, LLC, ACCEPTANCE OF FINANCIAL ASSURANCE, MAIL CONTROL NO. 629074

Dear Mr. Rapp:

This is in reference to your letter dated October 25, 2021, which included, in part, a revised decommissioning funding plan (DFP) and cost estimate, and the new financial assurance instrument documents received April 5, 2022; May 5, 2023; and June 20, 2023. We have reviewed the documents to meet the financial assurance requirements for your license. We have no further questions at this time.

The following documents currently provide your financial assurance:

Certification of Financial Assurance dated June 20, 2023 (ML23180A127);
Surety Bond dated September 10, 2021 (ML22115A127);
Trust Agreement dated April 27, 2016 (ML16196A233) with specimen certificates and Letter of Acknowledgement;
Revised Schedules A, B and C received May 5, 2023 (ML23180A150); and
Decommissioning Funding Plan "Decommissioning Cost Estimate, Schulz Electric Company, 110 Commerce Street..." dated August 2021 (ML21302A216)

We will return the original copies of superseded documents under separate cover. Please note that the original Trust Fund Agreement dated April 27, 2016, was established using cash as stated in the Schedule B attached to the April 27, 2016, Trust Agreement. This April 27, 2016, trust agreement is now used as a standby trust, funded by the Surety Bond as stated in the Schedule B received May 5, 2023. Therefore, the April 27, 2016, trust agreement remains with the NRC, but the cash funds may be returned.

C. Rapp
