- We have withheld certain information pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination.

PART I.D -- COMMENTS

This response also serves to acknowledge receipt of your request. The FOIA Office makes available for public inspection copies of FOIA requests and agency responses thereto (including any released records) by placing them in the U.S. Nuclear Regulatory Commission's (NRC's) official recordkeeping repository, Agencywide Document Access and Management System (ADAMS). This includes not only requests for "frequently requested records" (as required by the FOIA and NRC's FOIA regulations at 10 CFR 9.21(c)), but any requests and responses involving non-sensitive records. See 10 CFR 9.27(a). The FOIA Office does not maintain any list, nor does its management information system reflect, requests that seek "frequently requested records. To the extent there are requests seeking the same records, you may refer to the FOIA Request Logs, <https://www.nrc.gov/reading-rm/foia/recent-request.html>, and Closed Requests, <https://www.nrc.gov/reading-rm/foia/closed-request.html>, to locate them.
