Hi Nicole:  
The comments we received from DOE 9/12/23 are marked Draft. I'd like to put these in ADAMS as publicly available, or get final comments from DOE to put in ADAMS, if possible. As per the conversation yesterday at the Regulator's meeting, I'm going to send the HMC ET cover links around to all and ask for comments by 1/26/24. Now that we have accepted the application on 10/18/23, any comments we receive now should go into ADAMS as public.  
Let me know.  
Thanks.  
Ron

Ron, Doug,

Please see attached LM comments on the Homestake Mining Company E.T. Cover Design submitted to NRC on 7/28

There are two documents attached. The first is the "0823\_DOE Summary of the Comment Matrix...". This is a high-level summary of the comments provided in the matrix. This includes 23 comments.

The second document "HMC Aug 2023 DOE..." contains all 65 comments by LMS. These are both major and minor comments.

Looking forward to discussing tomorrow,

Nicole
