SUBJECT: NuScale Power, LLC Requests NRC to Provide Feedback on the COLA Readiness Assessment and Terminate Review of the COLA Cyber Security White Paper

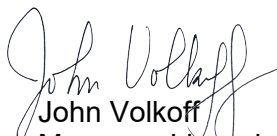

- REFERENCES:**
1. LO-140310, NuScale Power, LLC Submittal on Behalf of CFPP LLC Carbon Free Power Project Combined License Application (COLA) Entitled "Request for Preapplication Readiness Assessment of the Draft Carbon Free Power Project (CFPP) Combined License Application," dated May 24, 2023 (ML23144A332)
 2. LO-147494, NuScale Power, LLC Submittal on Behalf of CFPP LLC CFPP Combined License Application White Paper Entitled "Cyber Security Methodology for the Carbon Free Power Project," WP-147684, Revision 0, dated August 17, 2023 (ML23229A496, ML23229A497)

NuScale Power, LLC (NuScale) submitted on behalf of CFPP LLC a request for the NRC staff to conduct a preapplication readiness assessment of the draft Carbon Free Power Project (CFPP) combined license application prior to its previously planned submittal in January 2024 (Reference 1). NuScale requests that the staff provide the readiness assessment closure letter with a summary of the staff's observations and feedback.

Additionally, NuScale submitted on behalf of CFPP LLC a white paper describing the cyber security methodology for the CFPP (Reference 2). Due to termination of the CFPP, NuScale hereby requests termination of NRC's review of the cyber security white paper.
