RE: License # NR 21-01333-02

Dear Sir or Madam,

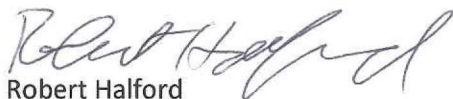

We are requesting an amendment to make two changes to our license. The first request is to please remove Dr. Thomas Pence Boike, M.D. as an Authorized User from our license as he will no longer have privileges at Beaumont Health.

The second change is to please update the Licensee Name in Item 1 to "Beaumont Health d/b/a Corewell Health – Southeast Michigan." After reviewing NUREG 1556 Vol. 15, this change has been evaluated as a name change only, no changes in organization structure have occurred. A future amendment with updated hospital names is likely to follow after location names and rebranding has occurred.

Should you need any further information or documentation, please feel free to contact me by email at [Robert.Halford@beaumont.org](mailto:Robert.Halford@beaumont.org) or [Robert.Halford@corewellhealth.org](mailto:Robert.Halford@corewellhealth.org) or by phone at 248-551-1194.

I previously sent this amendment request on Nov 16 but I had the wrong license number, so this letter is a correction for that one. Sorry for the mixup.

Sincerely,

  
Robert Halford

Gamma Knife Radiation Safety Officer
