Hi David,

The purpose of this email is to acknowledge receipt of the letter from you dated November 14, 2023, in response to the U.S. Nuclear Regulatory Commission’s (NRC) letter dated October 18, 2023, transmitting a Notice of Violation.

In the November 14, 2023, letter, you identify the corrective actions that your company has taken or plans to take to address the violations. The NRC has reviewed the corrective actions, which appear to be adequate, and has no further questions at this time. The actions Holland Engineering has taken, and plans to take to address the violation may be examined during a future inspection.

In accordance with the NRC’s “Rules of Practice” in 10 CFR 2.390, a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at http://www.nrc.gov/reading-rm/adams.html.
