Subject: New Exempt Distribution License Information Provided

Good evening, Mr. Simon,

As we begin the review of your request for a new exempt distribution license, we are preparing an additional information request. Before we construct the request, we wanted to clarify some information. Can you provide information on the items below:

- Confirm the location of the distribution.
- Paragraph (a) of 10 CFR 32.18 indicates that the applicant must satisfy the general requirements of 10 CFR 30.33. An exempt distribution license will not be issued until a possession license has been obtained. See NUREG-1556, Volume 8, Rev 1, Section 5.4, "Possession Licenses," for additional information concerning possession license requirements. Provide the possession license from the state that the distribution will take place.

Please confirm the receipt of this email. If you have any questions, comments, or concerns, please contact me at 301-415-8342 or Vanessa.Cox@nrc.gov.

Thank you,

Vanessa Cox
