Subject: Name Change versus Change of Control

### Discussion:

I spoke with Mr. Monroe concerning the request to change the name of the licensee. The information provided contained some of the language that is used when there is a change of control but all of the information was not there. Mr. Monroe stated that Celenase did not buy the whole plant DuPont Specialty Products was all that remained of the original licensee. Celenase had to obtain a separate license. Mr. Monroe also stated that DuPont is no longer their parent company. I informed Mr. Monroe that I would need an organization chart of the status of the company in relation to its parent companies from before September 30<sup>th</sup> and after October 1<sup>st</sup>. I would provide a formal Request for Additional Information by the end of the week via e-mail. If he or anyone else in their organization had any questions, they could contact me.
