**SUBJECT: DUPONT SPECIALTY PRODUCTS USA, LLC, REQUEST FOR ADDITIONAL INFORMATION, MAIL CONTROL NO. 637691**

Dear Greg Westbrook:

This is in reference to your letter dated September 27, 2023, requesting to amend NRC License No. 47-01876-01. In order to continue our review, we need the following additional information:

During the telephone discussion between Bryan S. Monroe, your Radiation Safety Officer and myself on December 12, 2023, Mr. Monroe stated that the DuPont was no longer the parent company of the licensee. Please provide an organizational chart showing the parent company(ies) of the licensee prior to September 30, 2023, and after October 1, 2023.

If the organizational charts indicate that a change has occurred, then the following two items must be completed.

1. Provide a complete description of the transaction (transfer of stocks or assets, or merger).
2. Describe the status of the surveillance program (surveys, wipe tests, quality control) at the time prior to the transaction and at the present time.

If there is no change in the organization of the parent company(ies), then this action is considered a change in name only.

We will continue our review upon receipt of this information. Please reply to my attention at:
