The current certificate, Revision 16, expires May 31, 2024, and DOE has a continued programmatic need for use of this package. There have been no changes to the package since the CoC was amended by NRC in February 2023.

If you have any questions or need more details, please contact Lawrence Gelder at 803-645-3430 or lawrence.gelder@em.doe.gov.
