Re: Diablo Canyon Independent Safety Committee; Thirty-Third Annual Report on the Safety of Diablo Canyon Nuclear Power Plant Operations.

To Whom It May Concern:

At its September 13, 2023, public meeting held in Avila Beach, California the Diablo Canyon Independent Safety Committee acted to approve and adopt its Thirty-Third Annual Report on the Safety of Diablo Canyon Nuclear Power Plant Operations for the period of July 1, 2022 through June 30, 2023. We enclose a compact disk containing the completed report for your information and file. The two bound volumes which comprise the Thirty-Third Annual Report were previously sent to the Document Control Desk on October 23, 2023.

In accordance with California Public Utilities Code §712.1(e)(2) the DCISC is now required to transmit its annual reports to the U.S. Nuclear Regulatory Commission and to the California Legislature (Senate, Assembly, and Legislative Counsel), the Governor, the California Public Utilities Commission, the California Energy Commission and to Pacific Gas & Electric Company, the company licensed to operate Diablo Canyon Units 1 and 2. The Report is also transmitted to the California Attorney General's office and is made available to the public on the DCISC website at [www.dcisc.org](http://www.dcisc.org) and at the R.E. Kennedy Library on the campus of California Polytechnic University at San Luis Obispo, California, and through local public libraries.

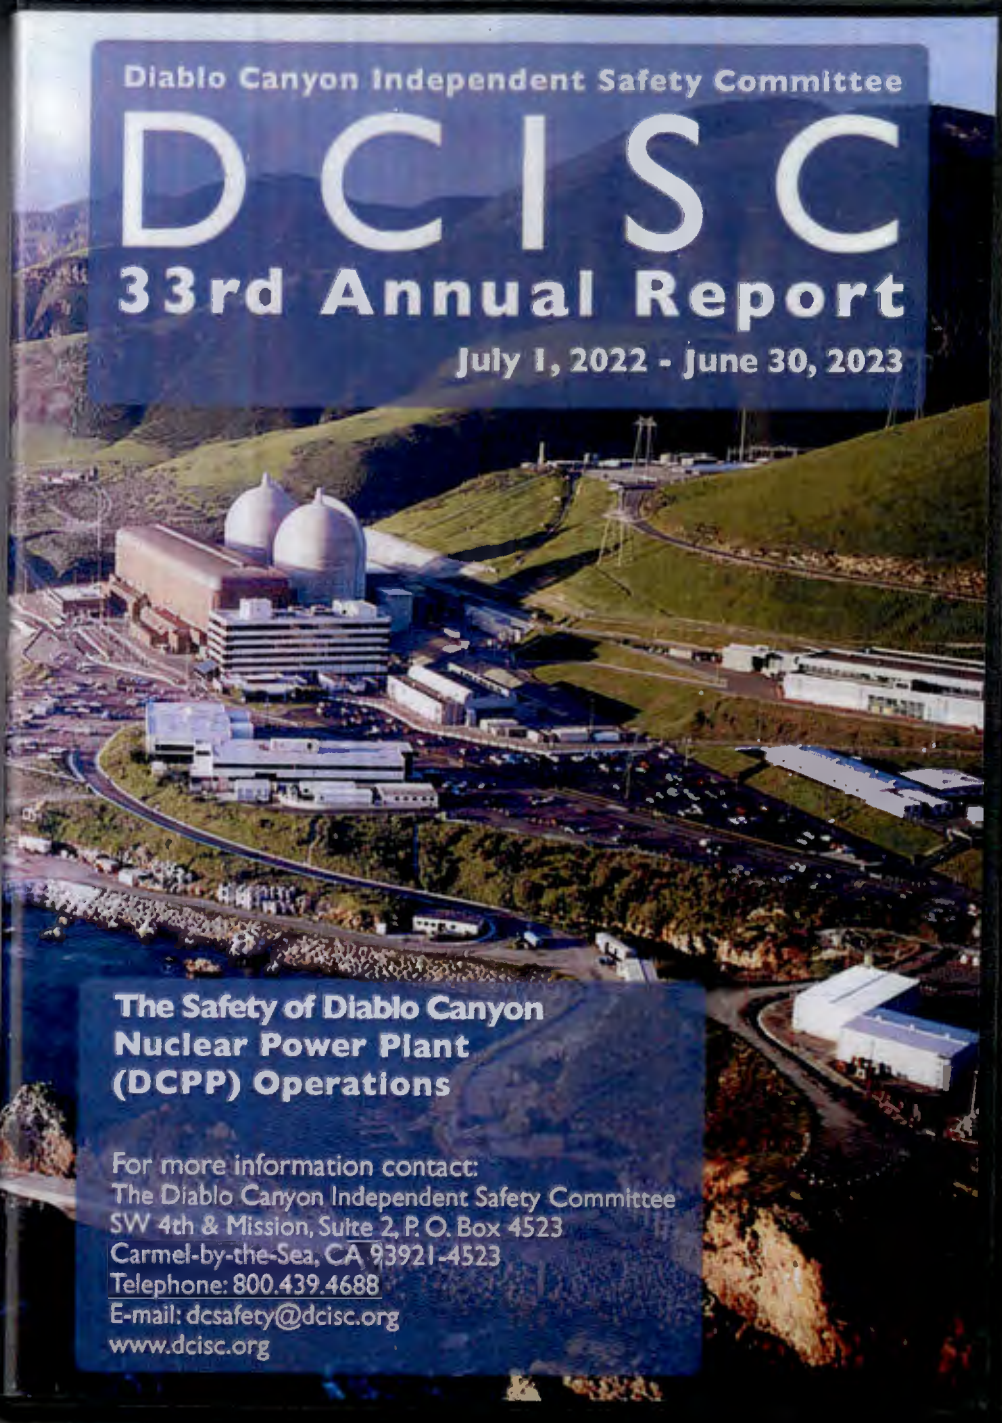

Upon the advice of the Senior Resident Inspector for Diablo Canyon, Mr. Mahdi Hayes, the report is submitted to ensure it is captured into the NRC's ADAMS document system. At Mr. Hayes' suggestion an electronic copy, via the link to the report on posted on the Committee's website, will also be sent to the NRC Region IV office. In accordance with California Public Utilities Code §712.1(e)(2) and (f), PG&E's response to this annual report and its response to the DCISC's 32nd Annual Report are included with the report.

The Members of the Committee and the undersigned welcome and invite any thoughts or comments which the Document Control Desk may have regarding the submission of this and future DCISC annual reports.

Very truly yours,

## **DCISC 33rd Annual Report July 1, 2022 – June 30, 2023**

This report covers the activities of the Diablo Canyon Independent Safety Committee (DCISC) for the period July 1, 2022 through June 30, 2023. This is the thirty-third annual report of the DCISC. The report is presented in two volumes.

**Volume I** includes a report summary (Executive Summary) and the Committee's Overall Conclusion and Specific Conclusions and Concerns (the Committee made no Recommendations during this report period), a brief introduction and history regarding the DCISC, Committee activities, and documents received by the DCISC during the reporting period (Section 1.0), DCISC public meetings (Section 2.0), a review and evaluation of Nuclear Regulatory Commission (NRC) assessments and issues (Section 3.0), Committee Member and Consultant investigation topical summaries (Section 4.0), DCPD performance indicators monitored by the DCISC (Section 5.0), open items being followed by the Committee (Section 6.0), follow-up of Pacific Gas and Electric (PG&E) actions on previous DCISC recommendations (Section 7.0), input to the Committee by members of the public (Section 8.0), and PG&E's response (Section 9.0) to this report and to the Committee's thirty-second report. The conclusions also appear in boldface type throughout the main body of the report with a discussion of the subject involved.

**Volume II** contains a list of documents received by the DCISC (Exhibit A), public meeting notices and agendas and minutes (Exhibit B), a DCPD operations summary for the reporting period and organization charts (Exhibit C), full fact-finding reports by Committee Members and Consultants (Exhibit D), a record of plant tours by the DCISC (Exhibit E), the DCISC Open Items List (Exhibit F), past DCISC recommendations and PG&E responses (Exhibit G), Second Restatement of the Charter for the Diablo Canyon Independent Safety Committee (Exhibit H), DCISC Informational Brochure (Exhibit I), and a glossary of terms (Exhibit J).
