Subject: Change in Level 1 Management for the WSU Reactor Facility

Dear Mr. Hardesty,

Pursuant to the reporting requirements in the Technical Specifications for the Washington State University TRIGA reactor, I am informing you that a change of Level 1 management has occurred, effective January 1, 2024. On that date, Christopher Keane left his position as Vice President of Research at WSU. Dr. Michael Wolcott has been appointed the interim Vice President for Research at WSU.

If you require further information, please do not hesitate to contact me.

Best regards,

Corey Hines
Director
