21 December 2023

Subject: Kansas State University, License R-88, Docket 50-188, License Amendment Request

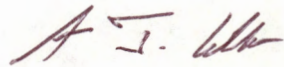

To Whom It May Concern,

This letter is a notification to withdraw the request for license amendment to use 12% by weight uranium fuel elements (Acc. # ML12109A063). The facility anticipates resubmitting the license amendment request in the future. Previously discussed administrative restrictions on operations remain in place (Acc. # ML19295D727). Advanced notification to the NRC will be provided if changes to the administrative restrictions are expected.

I may be reached at (785) 532-6657 or alanc@ksu.edu if you need additional information.

I swear under penalty of perjury that the foregoing is true and correct.
