Request Information

Dear FOIA Officer,

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, the Privacy Act ("PA"), 5 U.S.C. 552a, and implementing regulations, I am requesting copies and/or access to records of the U.S. Nuclear Regulatory Commission ("NRC"). I am specifically requesting copies of Source Materials License No. SMB-911 issued by the Atomic Energy Commission ("AEC") in 1967 to Fansteel Metals, Inc. In addition, I would like copies of any amendments or orders concerning the License.

To the extent that any responsive documents are classified, I request that they be declassified and/or sanitized for our review. For all records responsive to this request that are not produced based on an asserted exemption from disclosure, please prepare a privilege and/or exemption log describing, at a minimum; (i) the type of record withheld; (ii) the date(s) of the creation of the record; (iii) the subject of the record; (iv) the identity of the author and all recipients of the records; and (v) a detailed description of the basis upon which the record is being withheld (e.g., the claim of privilege, FOIA exemption, etc.). To the extent any responsive records are withheld based upon a claim of privilege or other exemption from disclosure, please produce redacted copies of all non-privileged or non-exempt factual material contained within such records.

If responsive materials have been destroyed or transferred to the custody of another agency, please provide me with documentation of destruction or transfer. I would also appreciate receiving any materials you can release to me as soon as possible, rather than waiting for all the responsive documents to clear your review process.

History Associates agrees to pay all reasonable and standard processing fees authorized by 5 U.S.C. 552(a)(4)(A) and the applicable regulations up to \$300. Should the fees exceed this amount, please call me with an estimate of the total costs in order that specific expenditures beyond \$300 can be authorized.

Should you have any questions or concerns regarding this request, please contact me at (240) 514-0925 or via email at jshear@historyassociates.com.
