Dear [Insert salutation]

This letter refers to the inspection conducted on **[INSERT DATE]** at your facility.

This inspection was an examination of the activities conducted under your Radiation Control Program [**License number**], as they relate to public health and safety, and to confirm compliance with the rules and regulations and the conditions of your license with the Department of Environmental Protection. Within these areas, the inspection consisted of selected examination of procedures and representative records, observations of activities, and interviews with personnel.

Based on the findings, no violations of Department rules or regulations were identified.

You are not required to respond to this letter, however you should retain a copy for your records.

If you have any questions or wish to discuss the inspection findings, please contact the undersigned at your earlier convince.

Sincerely,

Radiation Control Program Director
