Sam,

For the pre-submittal meeting scheduled with the Nuclear Regulatory Commission (NRC) staff on March 7, 2024, to discuss submittal of a license amendment request pertaining to the early warning system, I have validated that the following individuals intending to attend the meeting have active Safeguards qualification and are qualified to discuss Safeguards Information:

Mr. Shawn Kirven, Director, Nuclear Security and Emergency Services
Mr. Jordan Tyman, Director, Risk and Compliance
Mr. Robert Zimkowski, Manager, Nuclear Security Strategy
Mr. Matthew Hooper, Supervisor, Nuclear Security Systems
Mr. Michael Stevens, Senior Engineer, Regulatory Services

Please let me know if you need anything else.

Thanks,

Michael Richardson
Supervisor, Regulatory Services
Pacific Gas & Electric Company
Diablo Canyon Power Plant
