Subject: Acceptance of Executed Financial Assurance Instruments for 2024 Decommissioning Funding
Date: Tuesday, February 13, 2024 1:28:00 PM

Dear Chris Schwarz:

The U.S. Nuclear Regulatory Commission (NRC) staff has received your submittal dated December 14, 2023 (Agencywide Documents Access and Management System (ADAMS) Accession Number ML23348A271), pertaining to Louisiana Energy Services (LES), doing business as Urenco USA (UUSA), newly executed financial assurance instruments for the 2024 decommissioning funding.

We have completed our acceptance review of the submittal. We have identified no administrative omissions or deficiencies that would prevent us from proceeding with a detailed review. Your submittal has been assigned Enterprise Project Identification Number (EPID) L-2023-DFA-0010. Please reference this EPID number and Docket Number 07003103 in any future correspondence associated with this request.

Please note that the NRC staff's technical review of your submittal may identify issues that require additional information. Based on our preliminary evaluation and projection of current review schedules, we anticipate completing our formal review by July 12, 2024. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule. In addition, the NRC staff estimates that completing the review of your submittal will require approximately 80 staff hours which corresponds to about \$24,000.00 (current rate of \$300.00/hr).
