Lois, Regarding the RAI asking for report PWROG-16003-P to be submitted, this is not an EPRI report. It is a Proprietary PWR Owners Group report. PWROG has not received an official request to see PWROG-16003-P. The official request needs to come from the PWROG NRC PM to the PWROG and Jim Andrachek and Chad Holderbaum.

Thank you.

Send a simple email stating that the RAIs will be delayed a bit no later than April 2. I will put this in ADAMS to cover us both.

Lois, The Industry team is currently targeting submitting these RAI responses via EPRI letter on or about 3/18/2024. However, given management review/approval cycle, this may turn into 4/2/2024. (That's no April Fools Day!) Is this acceptable? [We do not want staff to say "EPRI is non-responsive"!]]

Thank you.
