Docket 70-7033  
SNM-7006

**Subject:** (U)RE-Submission of the GLE Standard Practice and Procedures Plan (SPPP) for Headquarters Facility (HQ)  
Ref. 1 – ML23243A847, Aug 25, 2023, Ltr. from P. Jenny to NRC DSO  
Ref. 2 – ML23305A089, Nov 30, 2023, Ltr. From M. Bartlett to P. Jenny  
Ref. 3 – GLE-INFOSEC-PHYS-1000001-LTR from P. Jenny to NSIR, dated Jan. 8, 2024  
Ref.4- GLE-INFOSEC-PHYS-1000001-LTR-2 from P. Jenny to NSIR dated Feb. 19, 2024

Global Laser Enrichment (GLE) originally submitted a new SPPP for the new HQ building in August of 2023 (Ref. 1). Subsequently, NRC responded to GLE with several requests for additional information (RAI) (Ref. 2). A response to those RAIs was submitted on Jan. 8, 2024 (Ref. 3). GLE re-submitted the SPPP and RAI response summary in Reference 4. Again after subsequent phone call, GLE made two additional changes and is re-submitting the SPPP for HQ to reflect those two changes.

The enclosure to this transmittal contains the full SPPP which is marked as Security Related Information.
