Docket # 030-39160  
ATTN: Carol Hill

Carol,

Per our conversation this morning Baxter Inc. is requesting the address to be corrected on the materials license. The correct address was filled in on block #2 of NRC form 313 on a previous amendment to license dated 12/8/2020. I believe it was over looked as I didn't reference condition #2 in the attached letter. My understanding (or misunderstanding) was the change would be made in accordance to the information filled out on the NRC form 313. The attached letter was to address the amendment to condition #10, and provide an explanation as to why I was requesting an expedited amendment.

Per the request, please change the address to the following:  
10051 Eshamy Bay Dr.  
Anchorage, Alaska 99515.

Thank You,  
Chris Baxter, Baxter Inc.

Good morning,

I spoke with one of the license reviewers to get a little perspective on how to handle this amendment. Can you please resend your cover letter and add the updated address to the bottom. This will make it much easier than having to deal with old paperwork. If you have any questions, please feel free to call me. Thank you in advance.

*Respectfully,*

# Giavanna
