Good morning, Martha:

Could you please add this letter to ADAMS. This is the third additional information letter for the referenced action. I just forwarded you the fourth additional information letter. Hopefully that is the last one! The second additional information letter was added to ADAMS in February; the first additional information letter is being forwarded to you today, in a separate email message.

Thank you!

Sara

Subject: [External_Sender] CTS Closing Date

Good afternoon, Sara

I apologize for the short notice, but we finally have the date set. Please see the attached, signed statement. We are closing on Monday, March 4, 2024 at 10:00am.

I have one last question for you. As I am set to take over the RSO duties and responsibilities upon closing, am I good to release John Korienek from his duties and responsibilities as RSO of CTS after closing? Please let me know.

Please let me know if you have any questions, or need anything else from me.

Thank you, and have a great weekend!
