**SUBJECT: CABRERA SERVICES, INC., ACCEPTANCE OF NOTIFICATIONS OF  
COMPLETION OF ACTIVITIES, AND LICENSE TERMINATION, MAIL  
CONTROL NOS. 638067 AND 639795**

Dear Mr. Flowers:

Please find enclosed Amendment No. 10, terminating License No. 06-30556-01 as requested by your letter dated February 27, 2024. That letter superseded the letter dated February 16, 2024, requesting approval for a change of control. We understand that a change of control is no longer required because Cabrera Services, Inc. completed all customer activities contracted for performance under License No. 06-30566-01, and can now terminate the license. This letter also acknowledges those notifications of completion of activities in the letters dated October 4, 2023, and February 26, 2024, submitted as required License Condition 19.

This termination is being issued in accordance with the requirements of the applicable NRC Termination Rule in 10 CFR 30.36, 40.42, and 70.38. Your license authorized activities only at temporary job sites and did not authorized possession of materials at any other facilities, therefore there are no facilities to be released.

An environmental assessment for this action was not required, since this action is categorically excluded under 10 CFR 51.22(c)(20).

In accordance with 10 CFR 2.390, a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web Site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, you may contact me at (40-704-4575 (cell) or 610-337-5040 (office), or by electronic mail to [Elizabeth.ullrich@nrc.gov](mailto:Elizabeth.ullrich@nrc.gov).
