Revised Requested Compliance Date - Request for Exemption from Enhanced Weapons,
Firearms Background Checks, and Security Event Notifications Implementation

Reference:

Vistra OpCo letter dated November 14, 2023, "Request for Exemption from Enhanced Weapons, Firearms Background Checks, and Security Event Notifications Implementation" [ML23318A471]

Dear Sir or Madam:

Vistra Operations Company LLC (Vistra OpCo) submitted the referenced request for exemption concerning implementation of revised security event notification requirements at Comanche Peak Nuclear Power Plant (CPNPP). The letter and letter attachment requested a compliance date of March 31, 2025, or 180 days after publication of the final Regulatory Guides, whichever is later, based on the NRC's projected timeline for completion of revisions to the applicable Regulatory Guides associated with the final Part 73 rule changes.

Vistra OpCo hereby requests to revise the requested compliance date for the referenced exemption request to December 31, 2024, or 180 days after publication of the final Regulatory Guides, whichever is later, based on the NRC's projected timeline for completion of revisions to the applicable Regulatory Guides. The revised requested compliance date should be applied to any instance in the referenced letter that refers to the previously requested compliance date.

This communication contains no new commitments regarding CPNPP Units 1 and 2.
