Subject: FW: NRC Device Key Information
Importance: High

Joey,

Could you please complete the SUNSI review on the attached so that we can add it to ADAMS and update GLTS with the subject devices.

Thanks,
Chris

Subject: [External_Sender] NRC Device Key Information
Importance: High

Angie,

We have 2 Devices from One Subsea (OneSubsea Processing AS) that should be on the list of **Devices Not Subject to Registration (Section 6)** but I do not have an NRC Device Key.

Manufacturer	Distributor	Distributor License #	NRC Device Key	Model #	Part #	Serial #
Isotope	Activity	Unit	Location			
OneSubsea Processing AS	OneSubsea	L05867		PW Vx 52 mm Type F	ITM-0224556	121470607001
OneSubsea Processing AS	OneSubsea	L05867		PW Vx 52 mm Type F	ITM-0224556	121470606001
BA-133	740	MBq	KW1 Well Jumper (FAM)			
BA-133	740	MBq	OSS Warehouse Berwick			

How can we get an NRC Key Device for these items?

Item #1:

Manufacturer Name: **OneSubsea Processing AS**
 Manufacturer License No.: **L05867**
 Model Number: **PW Vx Omni 52mm**
 Serial #: **121470607001**
 Transfer Date: **01/24/2020**
 Isotope: **BA133**
 Activity: **740**
 Unit: **MBq**

Item #2:

Manufacturer Name: **OneSubsea Processing AS**
 Manufacturer License No.: **L05867**
 Model Number: **PW Vx Omni 52mm**
 Serial #: **121470606001**
 Transfer Date: **04/28/2022**

Isotope: BA133

Activity: 740

Unit: MBq

Thank you so much in advance for your assistance.

Respectfully,

Enrique G. Rivera
