Tom,

Due to lack of drill rig availability in 2023, we were unable to collect core samples to support the 2024 ACL submittal for Mine Units 2, 3, 4 and 5. The coring is scheduled for 2024. The NRC should expect an ACL submittal for Mine Units 2, 3, 4 and 5 in Q4 2025.

Best Regards,
Tate
