Submittal of X Energy, LLC (X-energy) Xe-100 Licensing Topical Report: Xe-100 Training Programs Methodology

The purpose of this letter is to submit the subject licensing topical report (LTR) to the U.S. Nuclear Regulatory Commission (NRC). This LTR provides the methodology for establishing, implementing, and maintaining Xe-100 training programs and is provided for NRC review and approval as indicated in the report. X-energy expects this LTR to be referenced in future licensing applications leveraging the Xe-100 technology. The specific review schedule will be coordinated by X-energy and NRC project managers. X-energy has determined this report is available for unrestricted release.

This letter contains no commitments. If you have any questions or require additional information, please contact Jessica Maddocks at jmaddocks@x-energy.com.

Sincerely,

A handwritten signature in black ink that reads 'S. Vaughn' over a horizontal line.

Stephen Vaughn
Director, Reactor Licensing (Acting)
