U.S. Nuclear Regulatory Commission  
Attn: Document Control Desk  
One White Flint North  
11555 Rockville Pike  
Rockville, MD 20852

Subject: License Amendment Request to Add One Authorized Building

Reference: License Number SNM-95; Docket Number 70-0113

To whom it may concern,

This letter is to request your approval of proposed changes to the SNM-95 Special Nuclear Materials license reflecting a planned relocation of Environmental Health and Safety's Radiation Protection Office.

Requested by May 16, 2024, your approval of these changes would support the planned relocation of RPO office personnel and laboratory functions.

Detailed supporting information for the requested change is included in the attachments to this letter.

Feel free to contact Aaron Wilmot (Manager, Radiation Protection Office & University Radiation Safety Officer) at [adw154@psu.edu](mailto:adw154@psu.edu) or 814-863-3976 if you have any questions or require additional information.

Sincerely,

Andrew Read, Ph.D.  
Senior Vice President for Research,  
The Pennsylvania State University
