Subject: 2023 Annual Radioactive Effluent Release Report

The attached document includes the 2023 Annual Radioactive Effluent Release Report for Braidwood Station. This report is being submitted in accordance with 10 CFR 50.36a, "Technical specifications on effluents from nuclear power reactors," and Technical Specification 5.6.3, "Radioactive Effluent Release Report," and includes a summary of radiological liquid and gaseous effluents and solid waste released from the site from January 2023 through December 2023.

If you have any questions regarding this information, please contact Dane Brunswick, Regulatory Assurance Manager, at (779) 231-6246.

Respectfully,

A handwritten signature in black ink, appearing to read "AS", with a long horizontal flourish extending to the right.

Adam Schuerman
