Subject: [External_Sender] Georgia IMPEP Questionnaire
Date: Friday, April 12, 2024 2:41:07 PM
Attachments:

I have answered and included links to as many of the questions as I can. I tried to make everything as clear as I could. If you have any questions, don't hesitate to ask.

I have transferred all the directories and files into the shared folder found at:

I am unsure as to why it created different links for you all, but it did and I don't want to mess with it.

Everyone should have access to it, please check a few things and let me know if it doesn't work.

If you would like access to any specific application files we will need to copy those to the shared drive or provide user access to our Teams/OneDrive folder. This can be arranged, but it would be helpful to know ahead of time.

I have also included a short primer on our RAD online system. Website: <https://rad.gaepd.org/>

10 IMPEP users account (User names: IMPEP1 through IMPEP10) with read only access to RAD online have been created.

The same password for everyone is: Delta007

Have a great weekend!

Dave
