Subject: Transfers of Industrial Devices Report (To/From General Licensees)

To Whom it May Concern,

In accordance with 10 CFR 32.52, VIKEN Detection Corporation (VIKEN) is submitting this quarterly report. The attached report provides details of VIKEN XRF (Lead Paint Analyzer) devices meeting one of the following reporting criteria:

- a) Information on the device label has changed. This occurs when a new source is installed into the device by VIKEN.
- b) The device was returned to VIKEN for a final return.

UPDATE/NOTE: Viken is no longer conducting initial distribution of the Model Pb200i. The SSSDR for this model is currently in the process of inactivation with the Massachusetts Radiation Control Program.

If you have any questions regarding this report, I can be reached at (978) 337-4517 or by email at jblute@vikendetection.com.

Sincerely,

Jim Blute, CHP
Radiation Safety Officer
