Good morning, Dr. Lisa Whitelock,

We have reviewed your amendment request letter dated April 23, 2024, for a temporary RSO to be Dr. Malek Daneshvar. Your letter stated that his credentials were provided for license amendment #43, but those certificates have since expired and the name of the individual requested was Dr. Malek Daneshvarnezhad. Please confirm if this is the same individual with a name change or if this individual is different. If this was a legal name change, please provide official documentation. The referenced information was from 2013, which is greater than 7 years old. Per 10 CFR 35.59, please provide recentness of training for Dr. Malek Daneshvar.

In order to continue prompt review of your application, we request that you submit your response to this email within 30 calendar days from the date of this letter. For any questions, please contact me or Jan Nguyen, CC'd on this email.
