

PUBLIC MEETING ANNOUNCEMENT

Title: Advanced Reactor Construction Workshop #3

Date(s) and Time(s): May 22, 2024, 09:00 AM to 04:00 PM ET

Location: One White Flint, Commission Hearing Room
11555 Rockville Pike
Rockville, MD

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: Discuss the objectives and conceptual framework of for the advanced reactor construction oversight process (ARCOP).

Contact: Kevin Roche Phil O'bryan

Comments: Please contact the Kevin Roche at kevin.roche@nrc.gov if you plan to attend in person so you can be entered into the visitor system ahead of the meeting.

Note: The afternoon portion of the meeting will include small group exercises where examples of hypothetical inspection issues will be screened using draft concepts presented in the morning session. As such, the afternoon portion will be in-person only. A summary of the results of those exercises will be included in the meeting summary and presented at a subsequent workshop for those who could not attend the in-person meeting.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
