WASHINGTON, D.C. 20555-0001

June 3, 2024

The Honorable Jamie Raskin
Ranking Member, Committee on
Oversight and Accountability
United States House of Representatives
Washington, DC 20515

Dear Representative Raskin:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your May 7, 2024, letter requesting information about how the NRC is eliminating employment barriers and advancing employment opportunities for military and civilian families who serve this nation overseas.

Specifically, you asked about the NRC's efforts to comply with a provision in the Fiscal Year 2022 National Defense Authorization Act (NDAA) focused on remote work for federal employees whose spouses are deployed overseas. As detailed in the enclosure to this letter, the NRC staff is working to develop a formalized Domestic Employee Teleworking Overseas (DETO) program and policy in order to comply with Section 6202 of the NDAA. We expect to be in compliance upon issuance of our DETO policy, no later than the end of Fiscal Year 2024.

If you have any questions or need additional information, please contact me or have your staff contact Eugene Dacus, Director of the Office of Congressional Affairs, at (301) 415-1776.

Sincerely,

A handwritten signature in black ink, appearing to read "C. T. Hanson".
