Subject: Mitsubishi Electric Corporation (MELCO) Submittal of Support Documents for MELTAC Topical Report

EPID: L-2023-TOP-0036
Docket Number: 99902039

Dear Mr. Smith:

This transmittal letter is to inform the U.S. Nuclear Regulatory Commission (NRC) of Mitsubishi Electric Corporation's (MELCO) intention to submit "Collection of editorial changes on MELTAC LTR and its supporting documents by revision of Regulatory Guide 1.152 and IEEE Std. 7-4.3.2", a supporting document for the MELTAC topical report.

The documents submitted are listed in the table on the last page of this transmittal letter.

Please note that this submittal contains proprietary information. MELCO requests that the submitted documents categorized "Proprietary" in the Sensitivity Level column of the table on the last page of this transmittal letter be withheld from public disclosure in accordance with applicable NRC regulations. Affidavits covering the relevant proprietary documents are included with this submittal in conformance with the requirements of 10 CFR 2.390.

Information required per Section 2.10 of Guidance for Electronic Submissions to the NRC are on the last page of this transmittal letter. Please feel free to contact me with any questions regarding this submittal.

Sincerely,
