**Subject:** Opportunity to review and comment on an NRC information collection renewal of 10 CFR Part 72, "Licensing Requirements for the Independent Storage of Spent Nuclear Fuel and High-Level Radioactive Waste"  
**Date:** Tuesday, April 30, 2024 11:17:00 AM

---

On Monday, April 29, the Nuclear Regulatory Commission published a Federal Register Notice announcing our intent to submit an information collection request to the Office of Management and Budget (OMB) for renewal of 10 CFR Part 72, "Licensing Requirements for the Independent Storage of Spent Nuclear Fuel and High-Level Radioactive Waste." A supporting statement describing the requested information is available at <http://regulations.gov> by searching docket NRC-2023-0150).

As a potential respondent to this information collection, we are interested in your feedback. Specifically, we are seeking input on the following questions by *May 29, 2024*:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your response.
2. Is the burden estimate accurate? Please explain your response.
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

Comments can be submitted by going to <http://www.regulations.gov> and searching for Docket No. NRC-2023-0150. Please note that comments will be made available for public inspection. Because your comments will not be edited to remove any identifying or contact information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed.

If you have any questions regarding this correspondence, please contact me via email or telephone.
