Dear THOMAS:

This letter refers to the general license device annual registration packet sent to the above address on 11/15/2023 (copy enclosed). NRC's general license database indicates that you are in possession of a general license for a device requiring annual registration. Please complete and return the registration packet within 15 calendar days from the date of this letter. If you do not respond, NRC may take additional action which may include inspection of your facility and possible enforcement action.
