RE: **Amendment Request**
University of Michigan, License No. SNM-179

Materials Licensing:

The University of Michigan (U-M) requests to amend NRC Materials License No. SNM-179, which is scheduled to expire on October 31, 2024. Specifically, U-M is asking NRC to extend the term of the license by an additional five (5) years from the current 10-year term, in accordance with the Office of Nuclear Material Safety and Safeguards memorandum, "Procedure for Implementing the 15 Year Materials License Term" (August 18, 2017, [ML17200D112](#)).

Additionally, the Chairperson of the Radiation Policy Committee is now Peter J. H. Scott, Ph.D. His appointment letter is attached.

Thank you for your timely consideration in this request. Please contact me [(734) 647-2251 / kfish@umich.edu] if you have any questions.

Sincerely,

Dear Dr. Scott,

I write to confirm your appointment as Chair of the University of Michigan Radiation Policy Committee. Your willingness to serve in this important capacity is very much appreciated; the safe use of radioactive materials and radiation-producing machines at the University is critical to our research mission and healthcare activities.

Your appointment will be for a five-year term, ending April 30, 2029.

Sincerely,

Geoffrey S. Chatas
Executive Vice President and Chief Financial Officer
