Description: NRC's consideration of a license renewal application includes a safety review and an environmental review. The final SEIS concludes the NRC's environmental review.

Dear Ryan Alexander :

Thank you for your submittal regarding the above-referenced project. This response represents the comments of the State Historic Preservation Officer, the Executive Director of the Texas Historical Commission (THC), pursuant to review under Section 106 of the National Historic Preservation Act.

The review staff, led by Caitlin Brashear and Danielle Julien, has completed its review and has made the following determinations based on the information submitted for review:

We have the following comments: Thank you for the initial project information. The archeology division requests coordination on any future scopes of work prior to conducting archeological surveys.

We look forward to further consultation with your office and hope to maintain a partnership that will foster effective historic preservation. Thank you for your cooperation in this review process, and for your efforts to preserve the irreplaceable heritage of Texas. If the project changes, or if new historic properties are found, please contact the review staff. If you have any questions concerning our review or if we can be of further assistance, please email the following reviewers: caitlin.brashear@thc.texas.gov, danielle.julien@thc.texas.gov.

This response has been sent through the electronic THC review and compliance system (eTRAC). Submitting your project via eTRAC eliminates mailing delays and allows you to check the status of the review, receive an electronic response, and generate reports on your submissions. For more information, visit <http://thc.texas.gov/etrac-system>.

Sincerely,

for Bradford Patterson
Chief Deputy State Historic Preservation Officer
