U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

Dear Mr. Andrukat,

The OAS Executive Board (Board) appreciates the opportunity to comment on RCPD-24-004, Draft Proposed Rule: Regulatory Framework for Fusion Systems.

The Board has heard from several Agreement State partners regarding difficulty in obtaining the RCPD letter. Additionally, due to the length of the draft guidance, the Board is requesting an extension to the comment period, originally set for June 15, 2024, to August 14, 2024.

Please note that the letter indicates that the comment period for the RCPD letter was coordinated with the Organization of Agreement States. The Board is unaware of any coordination regarding this RCPD letter.

Sincerely,

Keisha Cornelius, Chair  
Organization of Agreement States
