Docket No. 030-38194
Reference No. 41-25460-01/030-34910
License No. 32-31395-01

To whom it may concern:

S&ME, Inc. is requesting an amendment to our NRC License, No. 32-31395-01, Amendment 6, as follows:

1. Change the licensee address (Item 2) from 2724 Discovery Drive, Raleigh, NC 27616 to **3201 Spring Forest Road, Raleigh, NC 27616**

Reason for amendment No. 1:

Our Corporate personnel are in the process of vacating the 2724 Discovery Drive location and moving into the previously established 3201 Spring Forest Road location. This new address is for correspondence with the Corporate office only, as S&ME does not maintain a radioactive materials storage facility separate from those currently licensed by the state of North Carolina at this location. No storage facility was ever established at the 2724 Discovery Drive location.

Please let us know if there is anything further you may need.

Sincerely,
S&ME, Inc.
