Request description

Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for all GLOMAR FOIA responses issued by the agency from 1 January, 2024 to present, along with a copy of the original FOIA request the GLOMAR was issued in response to. Search Instructions: Please limit all searches in response to this Request from January 1, 2024, to the present. Please include the full email chain and attachments relevant to any responsive documents to provide further context. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms “pertaining to,” “referring,” “relating,” or “concerning” with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term “record” means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. This request is primarily and fundamentally for non-commercial purposes. As an investigative journalist and columnist, the requested information is in the public interest because of the innate lack of transparency of government agencies in disclosing information of national interest. Further, this is amplified by the slow processing times and understaffing of the agency's FOIA office, delaying timely release of information by the agency—impeding the ability to inform the public concerning actual or alleged Federal government activity quickly creating circumstances, 'in which there exists possible questions about the integrity of the government that affect public confidence'. Because this is a request by a member of the news media for information of public interest, made in my capacity as a freelance investigative columnist for the Daily Signal (a major news outlet), I actively gather information of potential interest to my audience, and I use my editorial skills to turn raw materials into a distinct work, and I distribute that work to my audience through articles. My latest articles published can be found at the following url:
